We recently reached out to the Oro Valley Police Department regarding speeding in SCOV and they have responded as follows, "We have been working those areas and they are on the known Traffic Complaints list that traffic officers work. We also have had one of our JAMAR radar tracking devices set up on Silverton this past week and had our Radar Trailers on Del Webb. One traffic officer was actually working that area Tuesday afternoon and made 6 stops specifically for speeding and made one criminal speeding arrest as well. Hopefully, you and your residents will notice the difference soon."

“There are a lot of reasons to love Sun City. During COVID my husband and I would go up to the beautiful Aquatic Fitness Center (AFC) and exercise at 4 pm during our allotted time. What an amazing opportunity for us to exercise while everything else in the country was shut down. The view of the mountains while you are exercising was a bonus.” Anne Stiles, resident for over 10 years.

If you have an unserviceable U.S. flag, for proper disposal please leave it by Mike LaBarbera’s front door, wrapped inconspicuously in newspaper, and placed in a supermarket bag, 2145 E. Bighorn Mountain Dr.
