According to SCOV Board Policy (ELE-002), all political signs related to HOA board candidates and initiatives need to be taken down from your yards within four days of the announcement of election results. Please ensure that all signs are removed by Friday, March 29. Thank you for your assistance.

Need to update your Sun City directory listing? Community Directory chair Blythe Campbell will be at the Bistro next Wednesday, April 3, 9-11 am, to do listing updates for residents.

Did You Know the Del Webb corporate leaders had grander ideas than just constructing houses? They were building a community! They would construct recreational facilities, meeting rooms, and social halls to encourage the senior residents to be involved and active. One Del Webb publication asserted that this will "not be the sedentary Golden Years their grandparents talked about, but the active, inspiring years that Del Webb so ingeniously planned..."

The Architectural Inspection Group is currently looking for two volunteers to join the group. This group does listing, escrow, and courtesy inspections on the exterior of houses when it is being sold to let the buyer and seller know what needs to be corrected. If interested, please contact [Lisa Orach](#), 520-917-8072.

SCOV Friends of the Library (FOL) present Garry Buck's *Great Views*, Monday, April 3, 10 am, Catalina Vista. A review of unique foreign and independent screen gems recently added to the SCOV Library collection. This is an FOL only event. Pick up your free ticket in the Library.

Gift Shop News: It's Officially Spring and your Gift Shop has many new items to help welcome the warmer temps. Whether you are walking with friends or with Fido, you will need a water bottle holder that we carry in a variety of fabric designs. Chapstick is essential; we carry a key chain in a beautiful design with Chapstick included. When sitting outside with your beverage of choice, remember our gnat caps in wood designs are guaranteed to keep those pesky bugs away. So, celebrate Spring with a visit to the Gift Shop.

Starting Monday, April 1, we have some new and exciting features coming to court reserve. The first one will be a waiting list for lap lanes. If you sign up to be on this list for a certain time you will be notified if that lane becomes available. It will go to the first one that responds. You can receive a text alert that this lane is available. We are also changing lane 3 to a 2-person lane. Now it will be 3a and 3b, so if you do not mind sharing a lane with another person this will be your lane. Any questions, contact [Lonnie Davis](#), 520-917-8073.

Golf course walking hours: March 1-31, before 7 am and after 6 pm. The walking hours for April will be before 6:30 am and after 6:30 pm. Please be careful and make sure you avoid the first couple of holes on both nines if you are not off the course by 6:30 am. Golfers maintain the right of way. We kindly ask all carts and walkers to remain on cart paths and ensure that pets are cleaned up afterward. For your pet's safety and the comfort of others, please keep them leashed. Thank you for your cooperation.

News From The Views Restaurant

Live music this Friday and Saturday. See [website](#) for the entertainment schedule.

Over the past few years residents have been clear they are dissatisfied with the level of subsidy that the operating budget provides to The Views year after year. There is a commitment from the Board of Directors to minimize these losses and staff are responding to that challenge by optimizing cost savings, increasing prices, training employees, refining services, and improving food quality. These changes enhance the quality of the dining experience and minimize the losses The Views has consistently experienced. It's a goal they will be working to obtain. Thank you for your support of our restaurant as these concerns are addressed. You are appreciated.
