Association News

A new Service and Support Committee is being formed. Volunteers that are interested in serving on the Emergency Response Committee can apply [here](#). Please click [here](#), to review the Charter.

Pardon our mess! A recent storm caused a leak in the Activity Fitness Center (AFC). A panel from the A/C unit blew off during the storm and caused rain to enter the ductwork. Ceiling damage was caused. The ceiling is now dried out and repairs are underway and expected to be completed by today.

As part of our ongoing efforts to improve communication and transparency within our community, we are exploring the development of a new HOA website. To ensure that the website meets the needs of our residents, we kindly request your valuable input. To receive a survey document email request to scovtech@gmail.com.

Let's work together to be good neighbors. With the recent heavy wind and rain, take a moment to check on your neighbors' homes. Sometimes, you may notice things that the owners haven't seen yet. Strong winds can cause roof tiles to shift or even blow off, and trees or branches may be down in yards. If you see any damage, try to contact the owner. If they're unavailable, call the Administrative Office as they should have a way to reach the owner. Let's watch out for each other. And remember, please clean up and remove any debris as outlined in the Master Declaration section 4.4 - Maintenance of Landscaping: Landscaping on each lot must be well-maintained to keep a tidy and appealing appearance, which includes removing dead foliage.

Please join us in welcoming Carla Green to the Administrative Support Team. Carla is our new Communications Coordinator. We are happy to have her join our team in the Welcome Center.

Did you know? Del Webb started the Posse to watch over trailer loads of construction materials as well as the community. Volunteers used their own cars because no funds were available. Today, 114 residents patrol year-round, working with the OVPD to make SCOV one of the safest places in Arizona. Volunteers are still needed. To help, call Linda Simon, 520-789-7169.

We will be replacing the small 20-inch pool tables at the Aquatic & Fitness Center

(AFC). As a result, we are selling the old small tables at the AFC for \$15. Please come to the Welcome Center to pay for these items and get a paid voucher. Between Thursday, July 25, and Wednesday, July 31, take your voucher to the AFC to pick up your furniture. These items are available on a first-come, first-serve basis. Remember to bring assistance for loading the furniture into your vehicle.

The primary election is Tuesday, July 30. If you have not mailed your ballot, drop it off at the Oro Valley Public Library or early vote there from 8 am-5 pm through Friday, July 26. You also can submit your mail in ballot or vote in person on Tuesday, July 30, at Catalina Vista. Bring identification.

Gift Shop News: Why is it important to shop locally? It supports your community, provides better customer service, supports local not-for-profits, encourages creativity, and is within walking distance. While at the Gift Shop, you are often talking to the artist who created the items you are purchasing. Thank you for shopping locally.

Golf course walking hours: The walking hours from May 1 to September 15 are before 6:30 am and after 6:30 pm. Golfers maintain the right of way. We kindly ask all carts and walkers to remain on cart paths and ensure that pets are cleaned up afterward. For your pet's safety and the comfort of others, please keep them leashed. Thank you for your cooperation.
