It will be installed as soon as possible. Also, a leak occurred due to a belt that was slipping on a unit. The belt has been repaired and the affected area is being dried out, the cones will be removed as soon as the area is dry.

The Sun City Oro Valley Posse would like to remind you of nighttime safety while driving your golf carts or walking. If you have a golf cart without headlights you are not visible. When walking, carry a flashlight and make sure your pets are visible. Let's work together to enjoy our wonderful evenings and stay safe.

Hardware stocks light bulbs and items to repair broken systems.

Did you know? As residents bought control from Del Webb in 1995, the new Board faced challenges. On July 1 of that year, the carryover monies were \$0. They increased their members from 5 to 7, established the Asset Reserve Fund, built Catalina Vista, and rejected a resident proposal to add 9 holes to the golf course. A humble beginning to where we are today.

Vote for Us! The Sun City Oro Valley Arts and Craft Festival under the category *Best Annual Festival* for Best of Tucson. We are number 16 on the list and to enter, please vote for at least 15 categories. To vote go to www.surveymonkey.com/r/Bestoftucson2024, voting ends on Monday, August 26. One vote per email address.
