

This Week In SCOV

September 12, 2024

Association News

The Board has received questions about the fountain project summary published in the last board meeting notes. We decided to provide the background and current state of the fountain in an easy-to-read chart, so everyone has the fountain history and improvement plans, located [here](#). We hope you find this helpful.

Reminder: It is essential to keep dogs on a leash while walking them, particularly on the golf course. Oro Valley law mandates that all pets be leashed. Furthermore, the Owner and Resident Handbook specifies that *"Dogs must be on a leash that is no more than six feet long and under the control of a responsible adult."*

If you see Posse volunteers while they're on patrol and have an opportunity to speak to them, be sure to thank them for their service. Our mission is to help keep our community safe. Volunteers are always needed. For more information, call Linda Simōn, 520-789-7169.

Gift Shop News: Flower frogs are easy and decorative tools for arranging flowers in water or your favorite vase. They are circular shapes made from clay, come in a variety of beautiful, glazed colors and are available in the gift shop. Visit the shop to find these and much more.

Golf course walking hours: The walking hours from May 1 to September 15 are before 6:30 am and after 6:30 pm. Golfers maintain the right of way. We kindly ask all carts and walkers to remain on cart paths and ensure that pets are cleaned up afterward. For your pet's safety and the comfort of others, please keep them leashed. Thank you for your cooperation.
