Vote 2025-0527 Continues with three initiatives being considered by the Membership. For more information, please check out the Vote 2025-0527 webpage. You can find it on our SCOV website under Trending > Vote 2025-0527, or www.bit.ly/3EFG96L.

Vote Initiative Forum: There will be another vote initiative forum on Monday, May 5, 11 am, Activity Center/ Auditorium, where you will watch a video on the initiatives and be able to ask the Board questions. If you'd like to watch the video beforehand, it's available on the SCOV website under Trending > Vote 2025-0527, or www.bit.ly/3EFG96L, and you can also submit your questions directly to the Board using the provided form.

Lap Lane Reservations: Starting May 1, you will use the kiosk at the monitor's desk to sign in. Instead of using your name, you will need your SCOV Website Member Number. This is not the number on your membership card; it is the number you use to log into your SCOV Website. We will no longer be using Court Reserve.

SCOV Directory Update: No Paper Directory for 2025/2026. The SCOV Association will not be producing a printed resident directory for the 2025 / 2026 year. This decision is based on cost considerations and our

commitment to streamlining resources. We encourage all residents to utilize the online directory, available on our new website, as the primary source for up-to-date contact information. The online directory offers greater accessibility, accuracy, and the ability to update information in real-time. If you need assistance accessing or navigating the online directory, please contact the Welcome Center for support. Thank you for your understanding and continued support as we move toward more efficient and sustainable practices.

Solar Project: Our upcoming solar project for the Aquatic and Fitness Center is expected to begin in approximately 4 weeks. Stay tuned for more information regarding the start date, logistics, and potentially occasional electrical shutdowns for some of our facilities.

We would like to remind everyone that Sun City Oro Valley's liquor license extends to The Grill at the Turn. As such, residents and guests are not permitted to bring their own alcoholic beverages to this area for consumption. Bringing outside alcohol to this licensed area is a serious violation and puts our liquor license in jeopardy. Maintaining this license is essential for continuing to provide service and enjoyment at both The Views Restaurant and The Grill at the Turn. We appreciate your understanding and cooperation in helping us comply with Arizona liquor laws and protect our community amenities.

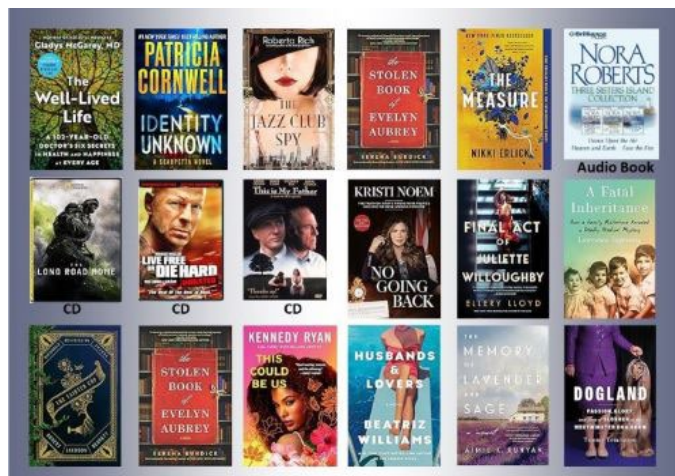

Kayte Comes, the Executive Director of the Community Association Institute (CAI), attended the Board meeting in April. She encouraged residents to reach out to her with any questions they might have. You can contact her by Phone (602) 388-1159, Mobile (602) 558-1900, or via email at kayte@cai-az.org.

The Lion Head Fountain Task Force has 550+ signatures of support for regaining the operation of our redesigned fountain from the Town of Oro Valley. Help us get the fountain fixed by signing in support online > <https://form.jotform.com/250915880061052>. Next meeting: Thursday, May 8, 10:30 am, WC1. For questions, email us at scovfountain@gmail.com.

Gift Shop News: A Gift Shop artist creates beautiful pieces using gourds. Some are painted; others have cutout designs. Little gourds are made into flowers; cut pieces are used to make butterflies and kinetics. They are made into baskets, wind chimes, vases, candy dishes, and lidded containers to look at and enjoy.

Golf course walking hours: The May walking hours are before 6:30 am and after 6:30 pm. Golfers maintain the right of way, so we kindly ask that both carts and walkers stay on the cart paths. Additionally, please clean up after your pets and keep them leashed for their safety and the comfort of others. Thank you for your cooperation.
