Association News

Pools & Spa Project 2026 - The AFC Pool & Spa are being filled. It is scheduled to be inspected and completed on April 3. Final preparations are underway pending the conclusion of the curing period. The heaters will be turned on approximately 30-days following the plaster installation, pending on the heater vendor coming on-site to turn them on and train the team. Hot water to follow 😊.

Get ready to clear out the clutter! Republic Services will have roll-off dumpsters at SCOV, Tuesday, April 14, conveniently located near the Library side of the Welcome Center. With three dumpsters on site this year, we're excited to support another great community cleanup—just remember, they tend to fill up fast, so early birds get the best use! Let's work together to keep this event running smoothly. Please plan to unload and place your items directly into the dumpsters and follow all posted guidelines. For safety

reasons, dumpsters cannot be overfilled. Thank you for helping keep our community clean!

It's time to begin receiving applications to fill our committees for the next fiscal year. Please apply to serve by going to Members>Committees>Committee Application and completing the committee member application. The term is for three years. Each committee will be seeking to replace members on their committee. If there isn't an immediate opening on the committee you wish to serve, know that throughout the year the list of applicants is referenced for replacements.

The Government Affairs Committee is hosting a debate for the Oro Valley Mayor candidates on April 29, 1:30–3:30 pm, Activity Center/Navajo and Hohokam Rooms. We are asking the community to email questions for the debate to scovga@gmail.com.

At a recent Chat, General Manager Sandy Seddon shared that the 40 & Fabulous celebration in early 2027 will be funded through sponsorships and donations. We've secured our first sponsor, Paul Cutler of Cutler Landscaping, a longtime supporter, who has funded a commemorative Tipster. Please join us in thanking him!

Employee Notice – Doug Healy is no longer employed with Sun City Oro Valley. In the interim, please direct any questions or responsibilities previously handled by Doug to Matt Deel, Facilities Superintendent.
