### **WHAT WE DO WITH YOUR DONATIONS**

Books, videos, audio books, magazines and puzzles that meet our criteria are added to our shelves. Those that do not make the cut are either put in our ongoing sale to benefit the library, donated to the public library, traded at Bookmans, or donated the VA Hospital and other worthy organizations. Items in poor condition are recycled or thrown away. Please help us by reviewing this card before donating. About 30% of the books and videos on our shelves were donated!

**THANK YOU FOR SUPPORTING THE SCOV LIBRARY!**
